

6th Street/Cornhusker Road

6th Street/Cornhusker Road improvements proposed between Giles Road and 72nd Street in Papillion and LaVista, Nebraska will be completed to safely accommodate the future growth and vehicle travel anticipated along the corridor. Roadway cross-section/widening and intersection improvements will be completed and incorporate recommendations for siting access locations and driveway consolidations. Three roadway cross-sections are planned to be supported by eight intersection improvements to achieve acceptable traffic operations under future traffic volumes. A 10-foot wide multi-use sidewalk will be completed on the south side of the corridor between 108th and 72nd Street to support active transportation demand and connectivity with the West Pappio Trail.
