Please find below questions received prior to, during and after the May 11, 2023, Pre-Proposal Teleconference and responses from the County. This includes any questions received prior to the deadline for questions which was May 19, 2023

1. MAPA currently has an ADP solution, will MAPA be looking to replace that solution?

MAPA Response: MAPA currently utilizes only ADP Run and Time, we do not have ADP Workforce Now. MAPA’s accounting process requires a complex mapping to a General Ledger and ADP does not have the mapping capabilities. MAPA staff is currently doing all the mapping manually.

Respondents are instructed to return a copy of this addendum form signed by an authorized firm agent as part of proposal responses.
