

MAPA SS4A Data Support Plan / MAPA SS4A Public Outreach & Comprehensive Safety Action Plan

Request for Qualifications (RFQ)

Answers to Questions Received

- What level of detail does MAPA require in the organizational chart described in the C.Organizational Chart, and how does it differ from the organizational chart requested in D. Firm Profile and Qualifications?
 - **Section D.1 requires that if subconsultants are joining the lead consultant, team members from all consultant teams would need to be included in the organizational chart.**
- Are respondents required to commit to reaching a DBE inclusion participation goal on our team?
 - **No**
- Can consultants include websites and weblinks as part of the proposal submission? If yes, will those materials be counted toward the evaluation scoring?
 - **Websites and weblinks can be included to provide additional details, but for information to be considered as a part of the proposal submission it must be summarized in the proposal.**
