

REVIEW TRANSPORTATION PROJECTS PLANNED IN THE METRO AREA

The public is invited to review the transportation projects planned during the next several years by the Omaha-Council Bluffs Metropolitan Area Planning Agency (MAPA). MAPA's Draft FY2018-FY2023 Transportation Improvement Program (TIP) is available for public comment May 25 through June 26.

Every year MAPA develops the TIP in cooperation with state and local governments and public transit operators. The document lists all transportation projects programmed for four fiscal years which are funded federally and are significant to the region.

The TIP includes projects for roadways, trails, and public transit projects in the Omaha-Council Bluffs metropolitan area.

An open house public meeting is scheduled. Please arrive at any time during the meeting time frame.
