NAYS: None.

ABSTAIN: None.

MOTION CARRIED.

III. LB492 – Presented by Curt Simon (Information)

Mr. Simon presented to the committee an update on LB492 that would allow for the creation of a regional transit authority. Surrounding communities would be able to opt in to this via a vote of their governing body. The transit authority board would be comprised of 7 elected seats that would be filled during the general election.

IV. Choice Neighborhoods Grant – Presented by David Fanslau and Othello Meadows (Information)

Mr. Meadows and Mr. Fanslau presented to the committee an update on the Choice Neighborhoods Grant. This project was selected for a HUD grant of \$25M for redevelopment around North 30th Street in Omaha. This project has been led by the City of Omaha, 75 North, and the Omaha Housing Authority and will focus on a complete and connected neighborhood. The full amount of this grant in addition to \$157M must be spent by September 2025.

b. Heartland 2050 Ongoing Activities –

i. Mini Grant Program (N 24 Street) Update - Presented by Greg Youell

The mini-grant program utilizes set-aside transportation funds to fund Heartland 2050 projects in the MPO Region (\$250k in Nebraska and \$80k in Iowa). The next call for projects will be in December 2019. One goal for this project is to identify other revenue sources to allow the program to expand geographically. The 24th Street Corridor Study includes a series of projects aimed at improving the bike/ped environment. The mini-grant study will complete a housing market
