## MAPA FY2022 Unified Planning Work Program (UPWP)

Each year MAPA reserves a portion of its planning funding to partner with members to conduct regionally-significant activities throughout the region. Jurisdictions that would like to apply for metropolitan planning (PL) funding should develop and submit a brief application based on the guidance below. FY2022 is from July 1, 2021 to June 30, 2022. Eligible applicants include local units of government and other partner organizations within MAPA's Transportation Management Area (TMA). A map of MAPA's TMA is included in Figure 1 (below).

Applications should be submitted by **4:30 pm on February 26, 2021** to Mike Helgersen at [mhelgersen@mapacog.org](mailto:mhelgersen@mapacog.org) or by mail to: Metropolitan Area Planning Agency, Attn: Mike Helgersen, 2222 Cuming Street Omaha, NE, 68102.

*Figure 1: MAPA Transportation Management Area Map*

Applications shall include the following information:

**1. Jurisdiction/Agency Name and Agency Point of Contact**

**2. Project Name**

**3. Project Description and Eligibility**

MAPA PL funding is FHWA/FTA funding for transportation planning. Project descriptions should explain the chief goals and objectives of the project. The description should also clearly describe the connection that the proposed work has to the metropolitan transportation planning process including key MAPA reports and the 2050 Long Range Transportation Plan, including:

- **Key MAPA Reports** | Support or coordination for Regional Development Report, Traffic Growth Report, Intersection & Intersections Report, Regional Safety Report, Block Talks, and/or Heartland 2050 Action Plan
- **Data Collection** | Traffic counting, pavement data collection, safety data collection, data to support MAPA's Congestion Management Process , bicycle and pedestrian counts, development tracking,etc.
- **Transit Oriented Development** | Implementation of policies regarding transit-oriented development and planning to support key infrastructure investments near transit stations
- **Public Participation** | Innovative Public Participation including virtual engagement and Block Talks
- **GOHub** | Continued implementation of regional data-sharing platform

Example activities from past years include traffic counting equipment or activities, corridor studies, transit planning activities, GIS data and analysis for planning, urban design plans with transportation components, etc. A full description of eligibility requirements can be found online at (Attachment A highlights specific examples of eligible activities): <http://www.fhwa.dot.gov/hep/guidance/sprt.cfm>

**4. Deliverables**

Please list the specific deliverables that will be produced from the project. Include how this will be delivered to or accessible by MAPA.

**5. Project Budget**

Budgets must include an itemized list of anticipated expenses. Staff time must be broken out by anticipated salary and wages, fringe benefits, and, if applicable, indirect cost rate. MAPA requires that applicants commit matching funds beyond the

20% requirement for the PL funding for FY2022 projects. All budgets should show a minimum of 30% local match to the requested federal funding.

MAPA no longer requires an administrative fee for this program.
