

ILL-C078()--92-78

Warnings

Map doesn't match the Federal Functional Class

Project

Project Number	ILL-C078()--92-78
Name	Norwalk 15 Bridge / G30 Reconstruction
Project ID	47266

Work Codes

County	County - Bridges
County	County - PCC Paving

Site

Lanes	2
Min AADT	25
Max AADT	19700
Federal Bridge ID	45320
Local Bridge ID	NO15
FFC	Rural Major Collector

Contacts

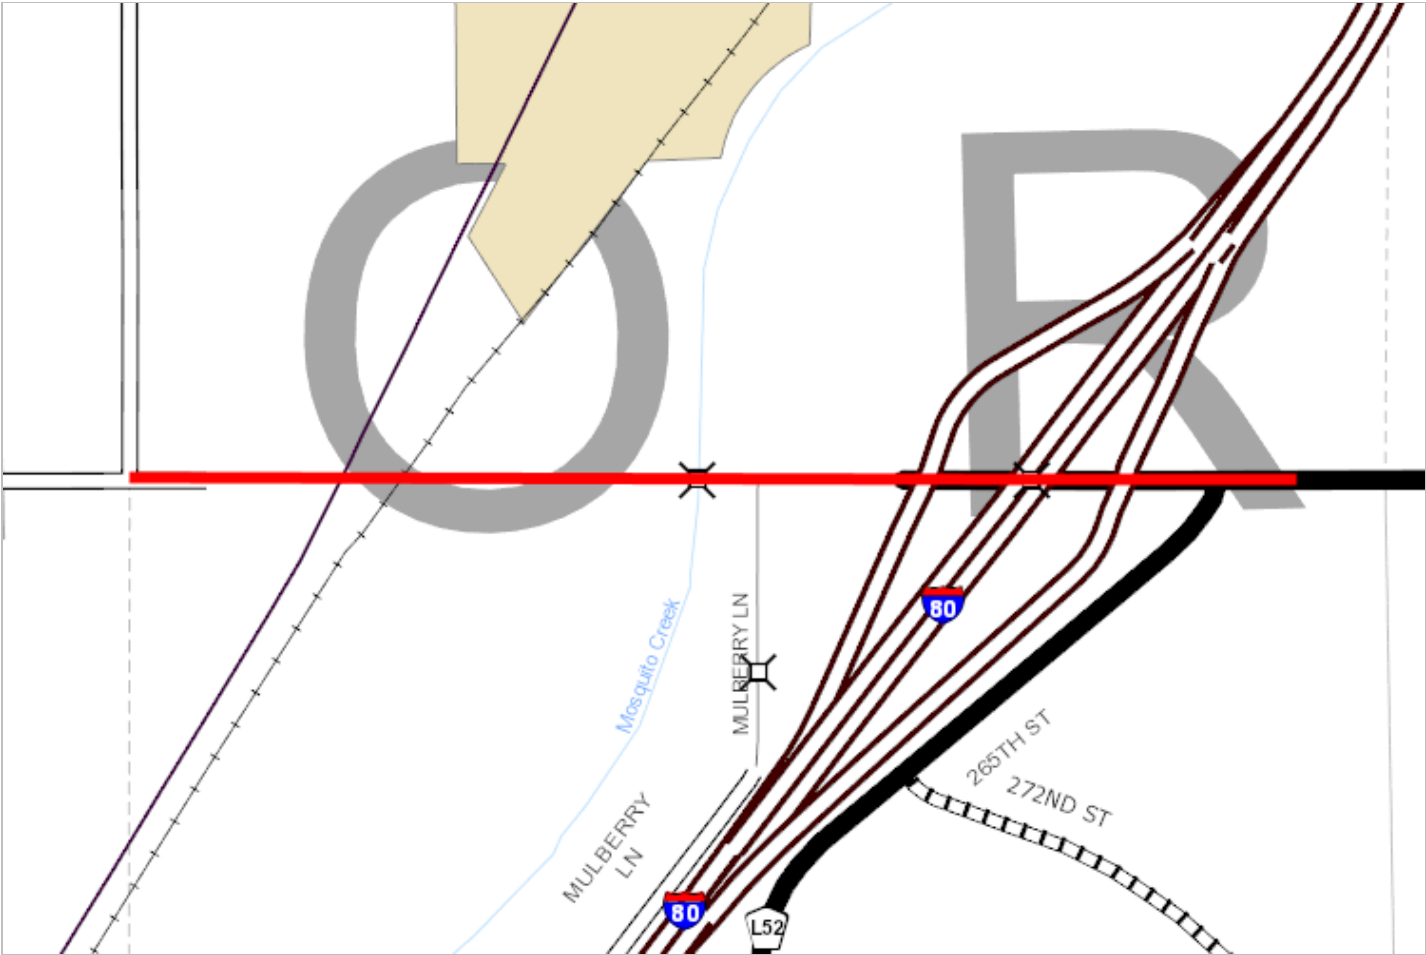

Planning Agency	RPA 18
Sponsor	Pottawattamie County

Notes

Magnolia Road West of Railroad Highway is included in the project limits to allow for intersection improvements at RR Hwy as needed. Unfortunately the "tie in" point of this project may be on a local road; which creates a conflict with the Road Classification. Project includes the new roadway pavement, as well as the Norwalk 15 Bridge replacement.

Location

On MAGNOLIA RD, Over Mosquito Creek, from 260TH E 1 mile

Funding

Source	2024
Contract	\$200,000
FM	\$400,000
ILL	\$4,400,000
SWAP-HBP (SWAP)	\$500,000
Total	\$5,500,000

Programming

Program	Version	Name	Project Number	Funding

- Paving review set to approved
- Project review set to approved
- Please round distances in the location description up to the nearest 0.1 miles and include the word "approx.". Guidance for formatting location descriptions can be found on pages 23-25 of the Budget and Program Instructions (https://iowadot.gov/local_systems/publications/county_bp_instructions.pdf). Additional Note: As you noted, part of this route is a not Farm-to-Market. There will have to be a separate division in the plans that is locally paid.
