### Transit Activity - Metro Bus Ride

This meeting of the CTC will be a field trip using Metro Transit's Route 24 and ORBT. We will go south on 24th Street, then east along Douglas Street, west along Dodge Street, and end with a ride north on 24th Street back to Metro's building.

Our trip will begin at Metro Transit and we will leave **promptly at 10:30a** in order to catch the 24 by 10:39a. If we are on schedule at this point we should be back at Metro between 11:45a and 12:15p depending on delays at other stops. There will be five short walks (5 to 10 minutes each) during the trip interlaced with bus rides. Metro has helpful information online about [how to ride](#), [system maps and schedules](#), and the two apps you can use to plan trips: [MyRide](#) and [UMO](#). You will not *need* any of these for the trip, but you might gain a better understanding of how to use the system if you take a look beforehand.

Metro is providing fare passes for everyone so you do not need to purchase anything to attend.
