Discussion Items

2. The MOBY Experience
Alicia Johnson arranged for a demonstration of loading and unloading of passengers. The committee went out to Metro's parking lot to participate.
3. Committee Goals Discussion
Court Barber led a conversation about what the CTC has been focusing on and where the group wants to focus its efforts going forward. The conversation started with a review of the committee's goals and strategies found on pages 30 through 32 of the [Coordinated Transit Plan](#). The committee discussed:
 - Route planning,
 - Micro transit,
 - Refugee needs,

- Public participation improvement, and
- Agency presentations.

Court said that for the next meeting he would like to poll the group on which of these items to focus on in the future and use that to help set agendas.
