

MOVING FORWARD

Executive Director's Holiday Message

As 2025 draws to a close, I wanted to write to you all and offer my sincere thanks for all your support throughout the past year.

Here at MAPA, we are fortunate to work alongside all of our members and partners to make key investments to improve the quality of life in our communities. Our work is a reflection of the countless hours invested by local officials and the vision of our community leaders to imagine a thriving, prosperous future for our region.

Capacity-building at the local and regional level feels more important than ever, and we are grateful for the opportunity to support these efforts. Thank you to everyone who attended a meeting, picked up the phone,

connected us with someone new or contributed to our work in any way—large and small—over the past year.

Please take a moment to complete our annual member survey: tinyurl.com/MemberSurveyFY2027. It helps us make certain we are aligning our project priorities to best serve your communities.

On behalf of the MAPA Team, we wish you all a happy and safe holiday season with friends and family.

Looking forward to a busy 2026!
